In accordance with the Organic Law 15/1999 of 13th December on the protection of personal data, the information supplied by the applicant shall be incorporated into an automatic file owned by SEIB112. The applicant allows treatment and introduction of this data in the 112 Database for the purposes described in this form.

The applicant is entitled to access, modify, cancel or delete any personal data under the conditions established by Law, using any written form and a valid ID.

This data shall be valid for 5 years from the date of initial record. After this period of time, all personal data related to the owner or phone numbers associated will be automatically deleted from our files, and it will be necessary to send this application form again.
