PART B DE LA PRIMERA PROVA: PROVA PRÀCTICA

Choose one of these options **Practical Exercise 1** or **2** and develop it.

PRACTICAL EXERCISE 1

This school year you are the English teacher for the 1st, 2nd and 3rd Grades on a two form entry State Primary School in an urban area.

This practical case is based on:

A target group which is in the 1st Grade formed by 24 mixed-ability students and one of them is from Wales.

Design a methodological proposal with a range of activities to develop their communicative competence in English considering the different reading and writing stages on their first language.

PRACTICAL EXERCISE 2

This year you are teaching in a one form entry State Primary School in a rural area in a small village.

Develop a workshop planning based on **food** for every Thursday during a term (eight sessions of 1 hour and a half). There will be 15 students attending the workshop from 4th to 6th Grade. For the present year a language assistant from USA will be in your class.

The school is provided with a kitchen, a vegetable garden, a pond, a Science Lab, a picnic area, a henhouse and the local supermarket is near the school building.
